BOOK STORES.

A STANDARD HISTORY BY

GEN. LEE.

A Work of National and Permanent Value.

MEMOIRS OF THE WAR,

By Gen. Henry Lee.

("LIGHT HORSE HARRY")

Thoroughly Revised and Annotated, BY GEN. ROBERT E. LEE.

WHO HAS ADDED A FULL BIOGRAPHY OF HIS FATHER.

1 vol. octavo, 640 pages, with new Steel Portraits of Gen Henry Lee, Gen. Robert E. Lee, and Gen. Nathaniel Greene; beautiful Steel Engravings of "Marion crossing the Pedee," and the "Surrender of Cornwallis;" Maps of the Siege of Charleston, S. C.; the siege of Yorktown, Va.; the Battle fought near Camden; the Battle of Guilford; the Battle of Hobkirk's Hill; and a sketch of Gen. Henry Lee's residence.

This admirable history of the operations of the American Armies during the Revolutionary War in the Southern Department of the United States is the standard work on the subject of which it treats; and this new edition, revised, corrected, and enlarged by Gen. Robert E. Lee, the distinguished son of the author, and embellished by elegant Engravings, and original Maps never before published, is a volume of the highest value to every intelligent person.

This history has been for a long time out of print, and because of its accuracy as a history of that interesting period and that there was no work to supply its place it was much sought for and a new edition demanded.

It is seldom that a historical work by a distinguished author has the advantage of a revision by so distinguished a son, and both of them great military leaders in the same section of the country.

Gen. Lee receives A LARGE COPYRIGHT UPON EVERY COPY OF THE BOOK SOLD. Sold only by subscription.

PRICE:—Handsomely bound in Cloth, $4 00.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

THURSDAY, DECEMBER 2, 1869.

THE STATE CREDIT.

At an early day of the present session of the General Assembly, resolutions were introduced into both Houses, pledging the Legislature and the people to sustain and pay the State bonds. Under ordinary circumstances this would have appeared a very strange movement; but the present Legislature, although it passed the acts making the appropriations, and they were ratified in the usual form, seemed to have some misgivings themselves in regard to the validity of their own solemn action, or apprehended that others might entertain doubts on the subject, and hence felt it necessary to bolster and prop their work by supplemental resolutions; just as the man, who knows his veracity is not first rate among his acquaintances, backs up his declarations with extra asseverations.

But there were doubts in regard to the legality of these appropriations, as well as of the manner of their adoption—doubts shared by some of the very men who helped to make them; consequently, when the resolutions pledging the State to pay "every dollar" of them, were introduced into the Legislature, it was thought advisable by those who like to act advisedly and conscientiously in such cases, to put in a *proviso*, which was offered in shape of an amendment, namely, that the State would pay every dollar of appropriations "legally made and honestly disposed of."

Now, what objection could there be in such a proviso? Did the friends of the resolutions wish to pledge the State to the payment of large sums of money that were not "legally made and honestly disposed of?" It seems that some were willing to do this, for when the proposition was made to postpone action on the matter until investigation could be had in regard to alleged frauds in relation to some of the appropriations, it was strenuously opposed, and immediate action urged.

It was a well known fact that $2,600,000 bonds issued by the Treasurer to the Chatham Railroad Company were out, and that these bonds were decided to be illegal, but the resolutions covered these as well as the other Railroad bonds of the State. Was it right to pledge the State to the payment of these? We believe these bonds, a part, if not all, have been disposed of, and are now outstanding against the State, and further, that the coupons have been, or will be presented at the Treasury for payment. We have asked, how the Treasurer can distinguish between the coupons of these bonds and the coupons of others that are considered constitutional, when presented for payment; but as yet no explanation has been given.

We think if D. Hawkins were requested to come before the investigating Committee, he could give information in regard to the Chatham Railroad bonds—where they are—what disposition has been made of them, together with other information in relation to them, that would rather astonish many, whose attention has not been particularly directed to the matter. And we are inclined to think that a full understanding of all matters concerning these bonds would show that there was some reason to hesitate in the adoption of the resolutions in their broad and sweeping form, without a saving clause limiting the pledge to such as were "legally made and honestly disposed of."

Without reverting to the extra parliamentary tactics; the lobby and log-rolling influences that operated to get most, if not all the appropriations through the Legislature, it is enough, in addition to what we have already said of the Chatham bonds, to allude to the pretty well established fact that nearly three millions bonds of one of the railroads, have been disposed of and the proceeds diverted to private use, to still further show the propriety of looking into the matter before making inconditional pledges.

Mr. Seymour's resolutions were untimely and improper. In the language of Mr. Durham, it was unfortunate that they were introduced at all. If the solemn action of the Legislature in such cases is not sufficient guarantee of the integrity of their work, no after patch-work in the shape of resolutions can strengthen it, or add to the confidence of the public in it.

THE MILITIA.—The *Standard* finds fault with the militia law, and complains that, at present, the Governor cannot control the militia effectually. Does not the law, as it at present exists, require an enrolment of all the militia? Has this been done? If not, why?

The *Standard* further complains that the Governor cannot make the militia serve, because each man can get off from serving by the payment of two dollars: has the Governor tried them? It he has, we have never heard of it. We think it likely that white men would not like to serve under *such officers* as the Governor has seen fit to appoint, but even that experiment has not been tried yet. The truth is, this whole complaint of the *Standard* and the Governor, about white men not serving, is mere swaddle.

W. J. Taylor, Esq., Sheriff of Greene, County, settled with the State Auditor on yesterday and paid the State taxes for his County, in full to the Treasurer. The taxes for 1869 amount to $11,249,07, less the 5 per cent commissions allowed the Sheriff.

For general purposes,	$4,840,18
" Special Taxes,	4,913,99
" Educational purposes,	1,487,90

This is only the second settlement in full, so yet.

GO ON! GO ON!

Since Littlefield ranaway to avoid being called before the Investigating Committee, the *Standard* becomes rampant and defiant on the subject of the fraud charges, and cries on, "go on! go on, with your investigations." It is all well enough to cry "go on," when the bird's flown. It would be better to cry, "come back! come back! Gen. Littlefield, come back!" If there be any potency in the *Standard's* invocations let its voice be raised and the cry, "come back!" vociferated loud enough to be heard through the everglades of Florida, for Gen. L. to show his handsome phyz to the investigating Committee, and that will enable the Committee to "go on."

THE PAY DEM.—The *Standard* thinks the "hands" are paid too much for the work they do, and urges a reduction of the *per diem* from $7 to $5 a day. It is too late now to agitate the matter, for they have settled it by a resolution regularly passed, enrolled and ratified; besides, some of the members had drawn on their salary at the old rate—$7,—before the session opened, and got the money. We do not mean that they drew the money from the Treasury, but got friends to advance it to them, pledging and drawing on their *per diem*, at $7 a day to make it good. Of course these members can't vote for a reduction, and others who feel convinced they will never get $7 a day again, unless they "default" for it, won't vote for reduction, the *Standard*, therefore will hardly succeed in inducing the Legislature to adopt his latter day economy.

The Legislature of North Carolina.

SENATE.

WEDNESDAY, Dec. 1, 1869.

The Senate was called to order at 10 o'clock.

Mr. Robbins asked and obtained leave to vote on the resolutions concerning the State debt. He said he should vote against them, for the reason, that they were mere paper resolutions, not worth the trouble of passing them; and further, that there were great judicial questions involved in this subject, which it is not our province to decide. The circumstances under which the new debt was created, and the uncertainty as to what is being done with the bonds, throws a haze and a fog over the validity of this debt; and he was not prepared to endorse its binding obligations by his vote. The *old debt* is binding, and we must pay it as we get able. But he did not regard the new debt as standing in the same relation to us, either in law or honor; and he should therefore vote no!

YEAS.—Messrs. Argo, Barnes, Blair, Boddie, Candler, Carey, Clayton, Durham, Eagles, Ellis, Farrow, Ferebee, Gibson, Green, Grier, Harris, of Franklin, Harris, of Wake, Hawkins, Hayes, Hicks, High, Hinnant, Hodnett, Kelly, of Davie, Leary, Long, of Chatham, Malone, Matheson, McMillan, Moring, Moore, of Alamance, Moore, of Chowan, Nicholson, Painter, Parker, Peck, Pou, Price, Renfrow, Robbins, Robinson, Reynolds, Shaver, Smith, of Alleghany, Smith, of Wayne, Stanton, Sweat, Sykes, Thompson, Welch, Whitley, Williams, of Harnett, Williams, of Sampson, and Williamson—54.

NAYS.—Messrs. Armstrong, Ashworth, Banner, Dixon, Downing, Ellington, Forkner, Franklin, Gatling, Gilbert, Graham, Gunter, Hendricks, Hoffman, Ingram, Kelly, of Moore, Kinney, Long, of Richmond, McCanless, Mendenhall, Morrill, Pearson, Proctor, Ragland, Seymour, Siegrist, Stevens, Vestal, Vest, Waldrop and Wilson—31.

By Mr. Graham, a joint resolution to provide for the insane, instructing the Board of Public Charities to provide for further accommodations—rules suspended and resolution adopted.

Mr. Gatling, for Judiciary Committee reported favorably upon the resolution concerning the taxes assessed upon the R. & G., and the W. & W Railroads.

By Mr. Davidson, a bill to charter the the Bank of Statesville. Referred.

By Thos. Sykes, colored, a bill to incorporate the Mechanics, Savings, Loan and Building Association. Referred.

Mr. Pou moved to suspend the rules and take up the bill enforcing the attendance of witnesses upon Investigating Committees, and fixing penalties for perjury.

Mr. Candler said he was opposed to the bill because there were only five or six of the Committee present when the bill was considered. He was the only one present that opposed the bill.

Mr. Moore of Chowan, raised the point that if only a minority reported upon the bill, it was not before the House properly.

Mr. Durham: Are you opposed to the passage of the bill?

Mr. Moore: I wished the bill to be acted upon by a majority of the Committee.

Mr. Durham, repeated the same question.

Mr. Moore returned the same answer.

Mr. Candler said he did not oppose the bill because he was opposed to an investigation but because he did not see why the right of the House should be questioned to send for persons. He wished the investigation to go in and that the House had a right to send for persons and papers.

Mr. Pou advocated the suspension of the rules and the passage of the bill in remarks of some length. He thought if the House intended to go on with the work of investigation, honestly and sincerely, they would not hesitate to pass the bill.

Mr. Downing was opposed to the 2nd Section of the bill which makes it a misdemeanor for persons refusing to appear when summoned.

The motion to suspend the rules was put to a vote and adopted.

J. H. Harris, of Wake, (colored,) moved to recommit the bill to the Committee on Judiciary.

Mr. Malone, opposed any recommitment. Why should men having the interest of the State to guard, and the interest of private stockholders, hesitate about voting for the passage of this bill. Frauds in the management of Railroads have become a crying crime in this land. Mr. M., continued his remarks to some length, which our limited space prevent us from giving them in full. He did not see how gentlemen who were *at all in earnest* in wishing an investigation, could refuse to vote for the bill giving the House the means to ferrett out frauds, which it is openly charged exists in certain quarters.

Mr. Malone made some remarks, showing why the bill should be adopted in order that the House might enforce the attendance of witnesses, and punish them if they should swear falsely, when he was interrupted by various points of order in regard to his consuming more time than he had a right to.

On motion of J. S. Leary, colored, he was allowed to proceed.

Mr. Malone continued, by saying that he dared and defied gentlemen and their party to vote down this bill. In the name of common sense and the God of Heaven, how anybody, after voting for this investigation, could now object to measures giving the House the means of thoroughly and effectively prosecuting such investigation. He would consider, as would the people, a refusal to pass this bill would amount simply to an acknowledgement on the part of the dominant party in this House, that they intended to *have no real investigation*.

Mr. Malone, then, proceeded to show from the condition of our credit and the manner in which our bonds were manipulated in New York, and charges universally made and believed, that frauds and mismanagement was almost without doubt, rampant in certain quarters, &c., &c. He concluded, arguing against any recommitment but for the immediate passage of the bill.

Mr. Seymour supported the motion to recommit.

Mr. Moore of Chowan, was also in favor of the motion. He wished a majority of the Committee to consider the bill.

Mr. Welch: Have you attended a meeting of the Committee, either last session or this, when there was a quorum present.

Mr. Moore: No Sir, but that is no reason why it is not just and proper that a majority of the Committee should consider this bill.

Mr. Moore continued by saying that he would never consent to the 1st and 2d sections of the bill. He was willing to vote for the 3rd section of the bill if it be so guarded as to apply to private individuals. He considered the provisions of the 1st and 2d Sections as surrendering the privileges of the House and the 3rd section if construed in its broadest latitude as attacking the privileges of the co-ordinate branches of the Government.

Pending any definite action, the House, on motion of Mr. Downing, adourned.

NOTE.—The following is a synopsis of the bill which elicited the discussion:

Sec. 1. That any Committee of investigation, either by joint resolution or resolution of either House of this General Assembly shall have power to send for persons and papers, and to enforce their attendance by attachment or otherwise under such rules and resolutions, as they may adopt.

Sec. 2. That any person failing to attend on summons shall be guilty of a misdemeanor, and on conviction fined not less than $500.

Sec. 3. Gives the Chairman power to administer oaths.

Sec. 4. Makes false swearing perjury subject to imprisonment in the Penitentiary.

THE SENTINEL.

CITY AND STATE ITEMS.

THURSDAY, DECEMBER 2, 1869.

☞ THEO. S. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

NOMINATED.—We learn that at a meeting of the Republicans of Raleigh, at the Court House, last night, Wm. H. Harrison, Esq., was unanimously nominated for re election.

There seemed to be a sort of split on the nomination of Councilmen for the Wards, but we did not learn the particulars nor the result, not feeling any great concern in the quarrel, no how.

PROF. LEE'S LECTURE, TUESDAY NIGHT. The instructive and highly entertaining lecture of Prof. S. Adams Lee, "God in the Ocean," was repeated at Tucker Hall on Tuesday night, to a small but highly gratified audience. We can only repeat what we said of it on the occasion of its first delivery, last Friday night. Neither then nor now, could we hope to do justice to it in a mere newspaper paragraph

BUILDING AND LOAN ASSOCIATION.—We call attention to the advertised meeting of this association at the Court House on Friday evening.

U. S. CIRCUIT COURT.—Wednesday, Dec. 1st. On motion of Thomas C. Fuller Esq., Mr. W. A. Guthrie, of Fayetteville, was admitted to practice in this Court.

The case of Wm. Ferrell, Samuel Ferrell and J. G. Ferrell recognized in bond of $500 each to appear at next term, to answer for violating internal revenue laws.

Wm. East, for illicit distillation, verdict, guilty, fined $10, and two months imprisonment.

Jesse Harris and Walker Thompson, for illicit distillation—not guilty.

W. H. Terry, illicit distilling—guilty.

Samuel Kirkpatrick and John U. Heart, same offence—guilty, fined $20 and costs.

Norfleet Kelly, defaulting witness, fined.

Much of the afternoon was occupied in the discussion of the libel case of United States vs. Henry Reams. Hon. W. A. Graham and Thos. Bragg, appearing for defendants.

The Court adjourned until 10 o'clock tomorrow morning.

MEETING OF THE BOARD OF TRADE.—The Board of trade met in Richmond, yesterday, at noon, and was organized by the appointment of Frederick Fraley, of Philadelphia, President. The session was opened by prayer, by Rev. Mr. Minnegerode of the Episcopal Church. A welcoming address was delivered by Thomas W. McCance, Esq., of Richmond. This address, together with the other proceedings, we received by telegraph, but do not conceive it of sufficient importance to the larger portion of our readers, to give it the space it would require.

The report of the Executive council for the past year shows that the National Board is composed of 37 constituent bodies, and sixteen thousand business men.

The questions to come before the Board are, weights and measures, conveyance of real estate, regulation of joint stock companies, legal rate for use of money, and the relation between debtor and creditor. The report pays a handsome tribute to the memory of the late James R. Branch, one of the Vice Presidents of the National Board.

Frederick Fraley, of Philadelphia, was elected President, for the ensuing year. A number of Vice Presidents were also elected.

A NEW PLOW.—We were visited yesterday by Mr. Murfee, the Agent for Murfee's Soil Pulverizer and deep tillage plow, patented as a subsoil Plow, and exhibited at several Fairs the past Fall, at all of which it took first premiums over all competitors.

Mr. Murfee exhibited to us a specimen of this plow, and, claiming as we do some knowledge of plows and plowing, we are decidedly of the opinion that this is the best subsoil Plow we have ever seen. The advantages over other similar plows possessed by the Murfee Subsoil, consist in its strength, lightness, simplicity, cheapness, and the advantage in leverage which the plower has, making his labor easier than with any other plow.

This plow is very highly recommended by intelligent and practical farmers in Georgia and Alabama where it was first introduced, and also by a number of farmers in Virginia who have used it; and the agent showed us a number of orders for it from farmers in our own State.

It is manufactured in Richmond, Va., by Palmer and Turpin, and will be kept for sale by Messrs. B. P. Williamson, and James M. Towles, of Raleigh—price about six dollars with the freight added.

We are confident that the use of subsoil plows will add fifty per cent to the products of any farm in the State, when faithfully used; and we advise our farmers to try this, for we are certain the result would prove satisfactory.

FESTIVAL.—The Festival of the ladies of the M. E. Church, given last night at Tucker Hall, was in every way a decided success; everybody being highly pleased and delighted.

The Festival will be continued to-night, and will, if possible, present still more attractive features.

We are authorized by Marcellus Alford to say that he attended the Republican meeting at the Court House last night, in good faith, to help make nominations for city officers, but when he found John Jones and Eli Williams, residents of other Wards, coming in to interfere with the nominations of the Middle Ward, with which they had nothing to do, making confusion in the meeting, and also a delegate from New Hanover, putting in his advice, that he quit the meeting and don't intend to have anything to do with it, or consider himself bound by it. He requests us to make this statement because we don't believe the *Standard* would do it for him, if he were to request it.

The Demand Tells The Story.—From all directions orders for PHALON'S VITALIA OR SALVATION FOR THE HAIR come pouring in. All the noxious Dyes &c, go down before it. A year hence they will be unmarketable. The ladies say it is as pleasant to use as a perfumed toilet water, and it is as transparent as crystal. Nothing else reproduces so perfectly the original hue of the hair.

GONE UP.

Now and then a member of our Legislature is green enough to speak of State repudiation as something to come. The fact is, it is an accomplished thing already. Let not the shame of repudiation be attached to those who shall hereafter have the State in charge. Repudiation is fastened on the State now, and *the Legislature now sitting, fastened it there.*

The present enormous taxation, which, by the way, our people cannot stand, does not pay any of the interest on the old debt. That interest is being turned into new bonds which draw interest. Thus a million a year is added to the public debt, and every year the addition is larger. Repudiating in this way, the old debt, our present taxes are put on us to pay the interest on bonds that sell for 25 cents in the dollar.

Our share of the National debt is at least seventy-five millions. Our State debt is now thirty five millions. Add them and you have one hundred and ten millions.—All the property in the State, real, personal and mixed, would not bring one hundred and ten millions.

Before the war the highest assessment of the real estate in North Carolina was under one hundred millions. Now the burdens of taxation thrown on the land are so heavy that it is reduced in value. It would not bring fifty millions. All the other property in the State would not bring sixty millions. When we add county indebtedness and private indebtedness we are in a bad fix.

The fact is there is not a foot of land in the State worth a cent if the State pays its debt. Every foot of it is mortgaged to the Government to pay for negro schools and all manner of villainy. Talk of inviting capital and immigration into North Carolina!

"Will you walk into my parlor said the spider to the fly." The man who would come into North Carolina and buy land here ought to be put in the Insane Asylum.

Let the present Legislature vote themselves one thousand or two thousand dollars each (any thing to compromise with them,) and let them get out of Raleigh.—Let soap and water be freely used to cleanse the capital. Let them an honest set of men be elected. They will come to Raleigh and will at once avow the truth and say to the world that the poor people of the State have been swindled and cannot pay the bonds, but will pay what is honestly due.

Alas! poor old North Carolina, with Holden for your Governor and your life blood sucked out by his underlings, how low hast thou fallen! Your goods hawked in the market and sold at one fourth what they call for, your people ground to the earth with taxation without paying half the interest on your debt, and the swarm of office holders that cover the land acting on the single idea, "Devil take the country so I hold my place and get rich."

GONE UP.

OBITUARY.

Died at the residence of J. Middleton Fleming on Tuesday the 23rd inst., Mrs. ANN S. FLEMING, in the 62 h year of her age. She had been afflicted with Paralysis for more than eight months retaining until a short time previous to her death, her mental faculties, bearing with meekness, and humble resignation, all of her bodily sufferings. She leaves an aged husband, four sons and an only daughter to mourn their irreparable loss. It was the privilege of the writer to be frequently at her bed side and bear testimony to her willingness to meet her approaching fate, and while his heart felt every sympathy (without the power to relieve a pang, his admiration was excited, at the untiring, and never ceasing attention of h r devoted daughter, whose name was about the last intelligible word upon her dying lips. Mrs. FLEMING was the devoted wife, the affectionate mother, the warm friend and charitable neighbour, as long as she was able to travel as a "Sister of Charity," she took great delight in visiting the abodes of the suffering and dispensing her attentions for the relief and comforts of the sick.

When the beloved die, how beautiful it is to cherish the memory of their virtues; what a holy thing in the human heart, and what a chastening influence it sheds upon human lips? From such virtues, as grew with her growth, and strengthened with her strength, from successive occasions, and posts of duty met, and filled with unshrinking fidelity, from years of hallowed effect, examples, and sacrifices in every relation of domestic life, from kindness, sympathy and love extended throughout a circle of friends; from the homes of the poor, and the hearts of the fatherless, for a walk with God, in a prayerful and devout spirit, to which piety always gave its unction? Where but in Heaven can such a path have ended; where else can such features of spiritual hope have gone.

Sleep loved, and lost one, sleep,
Beneath the quiet sod
With faith, and hope, and prayer,
We give thee up to God.

Morning Edition.

TELEGRAPHIC.

Wednesday Evening Dispatches.

FROM WASHINGTON.

WASHINGTON, Dec. 1.—Gen. Breckenridge is here. [This is the second or third time the telegraph has announced this fact.—ED. SENTINEL.]

Thomas H. Talbot, of Maine, has been appointed Assistant Attorney General in place of Dickey, resigned.

It was ascertained to day on inquiry at the Treasury department that the withdrawal from sale of gold in New York yesterday does not involve a change of policy, but was on account of the low price offered.

NEW YORK.

NEW YORK, Dec. 1.—Richardson married Mrs. McFarland last night. This morning he is sinking; his recovery is hopeless.

FOREIGN.

PARIS, Dec. 1.—The introduction of interpolations regarding the prorogation of September and other actions of the government, and the demand for the impeachment of ministers, has created much excitement. The proceedings are very stormy.

LONDON, Dec. 1.—The *Times* favors the acquisition of San Domingo by the United States.

LONDON, Dec. 1.—Rio advices state that the Allies are eating their horses. Any advance is prevented by want of provisions.

MARKETS.

NEW YORK, Dec. 1.—Stocks weak and unsettled, Money dull, sterling long 9½, short 9. Gold 31½; 6's 12½; Tenns. excoupon 93½; Va's excoupon 50; new 52½; La's old 66; Levees 59; 8s, 68; Ala. 8s, 93½; 6s 60; Ga. 6s, 81; 7s, 90; N. C's old 40½; new 31½; S. C's new 65½.

Revenue to-day $612 000.

The Court of Claims meets on Monday—there are over 300 cases on the docket.

Decrease in debt $7,500 000.

Coin in Treasury $100 000,000.

GEORGIA.

AUGUSTA Dec. 1.—The municipal election passed off quietly. J. V. H. Allen, Democrat, was elected without opposition.

SOUTH CAROLINA.

COLUMBIA, Dec. 1.—Both Houses to-day adopted resolutions expressing sympathy for Cuba and re cesting her recognition by the United States, pledging "the last man and the last dollar" to the government in case of war.

MASSACHUSETTS.

BOSTON, Dec. 1.—The Supreme Court decides that a lease of a plantation on the Mississippi River and the delivery of cotton thereon were not acts of commercial intercourse, nor provided for by the laws of nations, the act of Congress, nor the proclamation of the President. This decision validates the lease of property from which the losses was driven during the war.

NEW YORK.

NEW YORK Dec 1.—The *Herald* has the following from London, dated Nov. 30: "The Cabinet and government here are in a state of excitement and embarrassment, not to say alarm—The secret agents employed by the Executive in Ireland, have reported to the officers of the crown, their belief that a very general rising or revolution of the people of that country is imminent.

At a Cabinet Council the question of continuing the suspension of the act of habeas *corpus* in Ireland, has been debated; no decision has been arrived at, but it is considered certain that extreme measures for repression and for the sustainment of the Queen's authority in the island will be adopted shortly.

TENNESSEE.

MEMPHIS, Nov. 30.—The Mississippi election returns are meagre. A Columbus dispatch says, the election passed off quietly; the negroes voted heavily for Alcorn; about 2,000 votes were polled. At Macon the negroes voted for Dent and also at Tupelo and Verona; out of 900 votes Dent got 700; at Water Valley both whites and negroes voted for Dent, who got 430 votes and Alcorn 1. UNANIMOUSLY

Adopted by the State Board of Louisiana, July 17, 1869

☞ By reference to the accompanying lists of Text Books used in the Schools of North Carolina in 1855 and those adopted this year, it will be seen that, in nearly every important particular,

THE OLD NORTH CAROLINA STANDARD IS RETAINED.

Monteith's History United States.	Bullion's English Grammar.

From Rev. C. H. Wiley formerly State Supt. of Education.

Bremond, Texas, Oct. 14, 1869.

I had seen by the papers what had been done by the Board of Education in North Carolina and was glad. I had ample reasons for my former recommendations in the use of the books in our schools.

These Books are Used by the Best Schools in the State.

Unit Testimonials in Brief.

It affords me great pleasure to bestow on them my heartiest commendation. They are vastly superior to any other books of the kind I have yet seen.—W. H. Weatherly, Prin Class. and Math. School, Elizabeth City, Oct 25, 1869.

Send me ten Davies' Intellectual Arithmetics for introduction. They are superior to any I have seen.—W. F. Eccleston, Mount Olive, Oct. 20, 1869.

I intend using the same books in my school as those used in the Common Schools. * * I am already using Monteith's Geographies.—John D. Johnson, Yadkinville, Sept. 28, 1869.

I am and have ever been an earnest advocate of uniformity in school books. The Board recommendations—Arithmetics and Geographies—are the best that could have been made.—H. E. Smith, Lincolnton, Sept. 25th, 1869.

Because these books are adopted by the State Board as well as for the merits of the books themselves, we wish to introduce them, and use them exclusively in our school.—Rev. S. C. Alexander, Charlotte, Oct. 11, 1869.

Steele's "Nat. Philosophy" received. Am struck with its superiority to the other in many respects. As a class is waiting, substitute in my order Steele's Philosophy for first introduction. —O. W. Jewett, Wilmington, Oct. 13, 1869.

Davies' Mathematics was adopted by me in 1855, and up to this time I have examined no work superior to them. I have examined McNally's Geography and Peet's Gunot's Natural Philosophy. I consider them most excellent works and shall put them into my boys' hands at the earliest period.—J. E. Hodges, Prin. Male Academy, Warrenton.

It is my purpose to introduce Monteith's (No. 1) into my school. I give it the preference for the information which it gives on the subject of Physical Geography. The maps and questions in both works (Monteith and McNally) seem to me to be admirable.—Rev. Albert Smedes, D.D., Rector of St. Mary's, Raleigh.

The system of Geography—Monteith and McNally—I am well pleased with.—Rev. Wm. S. Lacy, Raleigh.

Davies' Arithmetics, Monteith's Geographies and the National Readers are too well known to require a word from me. Monteith and Davies are the best that I am acquainted with.—Prof. Frank Vaughan Elizabeth City, Oct. 11, 1869.

I have waited patiently for the adoption by the Board of Education of this State of the books to be used in the public schools, and am much pleased to find that so many have been selected from the National Series.—Rev. W. L. Miller, Charlotte, Oct. 1, 1869.

Am much pleased with both the Spellers and all the readers; and as to the Series of Geographies, I have long used no others when these could be obtained.—Dr. Wm. B. Hanson, Prin. High School, Snow Hill.

The introduction of so much valuable matter on the subjects of Physical Geography and Geology, and in a form so simple and intelligible as is, (Monteith's Intermediate Geography) is my judgment a charming school book.—Col. Wm. Bingham, Prin. Bingham School.

I design introducing McNally's Geography and Davies' University Arithmetic.—Dr. Cross, Prin. Durham Academy,

Will introduce the University Arithmetic next term. An admirable work.—M. L. Little, Prin. Pleasant Hill Seminary, Newton.

Monteith's Geographies are excellent works, and I shall introduce them into my school.—Stinson Ivey, Prin. Auburn Academy.

The superior and durable style of binding of your works is a very great recommendation—one with which I have long been favorably impressed.—Prof. Wm. A. Graham, late Hillsboro' Military Academy.

I have introduced your National Series of Readers. We find them to be excellent, just suited to our purpose. With Davies' Mathematical Series we have been long familiar, and can find no good reason for changing them. In the Primary Department we have Monteith's Geographies.—Rev. D. D. Burkhead, Prin. Female Seminary, Mount Pleasant.

The National Series of Readers and Spellers are the best with which I am acquainted. I shall henceforth use no others in my school I use Davies. I consider his works incomparably superior in many respects Monteith's Series afford a gradual but thorough and systematic progression.—Prof. Jos. H. Fox, President Stanton-burg Scientific High School.

I regard Monteith's Physical and Intermediate Geography as one of the best books of its kind It has several points of superiority over most primary Geographies; Geography is here treated from the only true and rational standpoint, viz of Geology and Physical Geography.—Prof. W. C. Kerr, State Geologist of North Carolina.

Mr. Taylor Johnson, Olive's Chapel, has introduced the National Readers, Monteith's Geographies, Davies Arithmetics, Clark's Grammars, etc.; Mr. John Franks, Grove P. O., has introduced the National Series throughout; Mr. W. A. Branch, New Hill P. O., uses the National Series throughout; Mr. Adolphus Rogers, Green Level P. O., uses the National Reader, Copy-Books, Monteith's Geographies, and York's Grammar; Mrs. Emma Bingham, Cary P. O., uses the National Series; Mr. H. C. Olive, New Hill P. O., introduced Monteith's Geographies. There are now at least 250 pupils in Wake and Chatham counties who are daily using the National Series of books, within my knowledge.—Prof. W. H. Merrett, Chatham county, Sept. 14, 1869.

I am glad to learn that some of your books are to be introduced into our State Schools.—Prof. J. M. M. Caldwell, Greensboro' High school, Oct. 23, 1869.

Distinguished Editors and Critics Praise Them.

The Series must prove acceptable. The structure of language is beautifully exhibited.—Fayetteville *Presbyterian*.

This firm will allow no competition in the price of books published by them which are among the best in the State.—Statesville *American*, 1868.

Have a reputation for merit unsurpassed.—Statesville *American*, 1869.

Peculiarly adapted to supply the wants we have long felt.—Greensboro' *Patriot*.

Have acknowledged superiority by the most competent judges.—Western *Sentinel*.

Davies is excellent in the first degree.—Wadesboro *Argus*.

Are excelled by none of the many used, and they are superior to most of them.—Newbern *Journal of Commerce*.

When we examine the bright pages of the National Series, and think how we groped along the dry and uninteresting "task" of our boyhood, we are constrained to be envious of the happy pupils of the present.—Wilmington *Post*.

The National Series has attained probably a higher reputation than any other complete series of School Books now in existence.—Wilmington *Herald*.

THE UTLEY

COTTON PRESS.

A NEW combination of power, whereby all friction is overcome. The simplicity, economy and durability of this PRESS astonishes all who see it, and the wonder is that a power so simple should so long have been unappropriated. With this Press, two men can do all the packing or pressing of a 500 pound bale inside of eight minutes; and it can be readily taken down and transported, as it is simple and light. We can supply these Presses cheaper than any yet offered to the Planter. Will send circulars to any desiring, and we would advise all persons wanting presses to withhold buying until they examine this

The Presses are now being manufactured at the HASH AND BLIND FACTORY OF THOS. H. BRIGGS. All are assured that as between this and any other there is no argument as to its merits over all others. With the irons, any ordinary workman can put them up. The patentee is here for a few days, and will take pleasure in explaining its merits.

LIFE INSURANCE.

THE LEADING COMPANY IN NORTH CAROLINA IS

THE ÆTNA LIFE,

OF HARTFORD.

JULY 1ST, 1869.

Amount of Assets $12,000,000.00.

DIVISIBLE SURPLUS $2,675,999.48,

AND CONSTANTLY INCREASING.

ALL THE SURPLUS OF THE COMPANY DIVIDED AMONG THE ASSURED.

DIVIDENDS DECLARED AND PAID ANNUALLY ON THE CONTRIBUTION PLAN.

ALL POLICIES (AFTER TWO FULL PAYMENTS) NON-FORFEITABLE, AND SO EXPRESSED ON EACH POLICY.

No Restrictions as to Residence and Travel in the United States.

RATES LOWER THAN ANY OTHER COMPANY THAT PAYS DIVIDENDS TO POLICY-HOLDERS.

IT ISSUES ALL THE VARIOUS FORMS OF LIFE AND ENDOWMENT POLICIES.

LOSSES PAID PROMPTLY IN CASH.

LIST OF LOSSES ACTUALLY PAID BY THE ÆTNA LIFE INS. CO., AT THE BRANCH OFFICE, IN RALEIGH, BY THE HANDS OF W. H. CROW, GENERAL MANAGER OF THE STATE AND PART OF VA.

No. 15,273	$ 5,000

" 18,607	5,000
" 24,692	3,000
" 27,512	10,000
" 38,650	5,000
" 42,974	2,500
" 35,892	10,000

" 40,266	5,000
" 42,975	5,000
" 22,361	15,00

And $5,000 ready to pay a loss of No. 34,161, so soon as the party authorized to receive the money appears.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

Knickerbocker,	$16,54
Equitable,	17,44
North America,	21,16
Brooklyn,	21,99
Universal,	27,94
John Hancock,	18,27
The National,	63,48
The Ætna,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It insured more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 529 policies, received an income of seventy-eight thousand dollars, and possessed net assets amounting up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 19,327 new policies, more than any other Company, except the Mutual Life; received an income exceeding six million dollars and had amassed solid, securely and profitably invested nett assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
